**Purity Candy Company** - In 1907, Ford G. Birchard was starting the Purity Candy Company, in Lewisburg, PA. Today, that legacy continues to thrive at Purity under the ownership and guidance of the Burfeindt family. We still use the same recipes, techniques and attention to quality so important in the creation of fine candies. Enjoy browsing in this delicious shop where a glass wall separates the factory from the store. There will be a special treat for everyone upon departure.

\*\*No restrooms at Purity. A rest stop will be made prior to arrival at Purity.

**Four Friends Vineyard & Winery** - Starting out with a small vineyard, with help from good friends we planted 50 Delaware vines, and 50 Cayuga vines, by Hand (pick & shovel). Since then we have modernized somewhat, and added more vines each year, with the help of more good friends. (Hence "Four Friends Vineyard" namesake was created). In June of 2009 we broke ground for the construction of the Winery consisting of a tasting room with an outdoor covered deck and our wine production area. We opened on Friday the 13th of November 2009! (Guess we're not superstitious). We produce a wide array of wines from extra dry, to sweet table wines.

Here you will enjoy learning about the site including its vines and wines plus wine tasting. As a special treat your tasting will end with a "wine shooter" served in a miniature chocolate shot glass.

**Lunch at Le Jeune Chef** - Le Jeune Chef is a teaching restaurant at the PA School of Technology in Williamsport. Learn about the school's culinary program plus enjoy lunch with a dessert chef demo of the restaurant's signature dessert, Chocolate Soup (chocolate ganache lightened with cream, surrounding a coffee flan and garnished with fresh berries, white and dark chocolate shavings and Chantilly cream). Meal will include salad, entrée, Chocolate Soup, coffee/tea.

**Hiawatha Riverboat Cruise** - All aboard the Hiawatha Riverboat in Williamsport for a narrated Susquehanna Riverboat Cruise. Learn about the river's role in making Williamsport the lumber capitol of the world in the mid-1800's when logs from the north were corralled with underwater booms, about jam crackers that risked their lives to keep the lumber down river and about a conductor on the Underground Railroad that used the river to help slaves from the south flee north.

As a special treat, everyone onboard will enjoy a chocolate martini during the cruise (Non-alcoholic options available upon request).
