**Bronx Zoo** is located on 265 acres. The Bronx Zoo exhibits more than 5,000 animals of which there are over 600 species of mammals, birds, reptiles, amphibians, and invertebrates and 1,500 species of plants. Every year hundreds of animals are born at this Zoo. The zoo is a self-guided tour; the routes are informative and well marked.

Do not be disappointed if the animal you came to see is not on exhibit. Many animals are sensitive to the weather and other conditions. There are many exhibits you can see in any kind of weather. Ride and attraction availability subject to weather, capacity, mechanical and/or animal related issues.
