Farm Tour & Wagon ride at the Farm at Walnut Creek

Located near the heart of Amish Country in Ohio, The Farm at Walnut Creek hosts over 500 animals, comprised of species from six of the seven continents. Our menagerie includes exotic animals such as giraffes, camels, zebras, and kangaroos along with more common animals like horses, llamas, buffaloes and deer. Visitors have the opportunity to view and hand-feed the animals from a horse-drawn carriage.

Lunch on own at **Amish Door**
Lehman's Hardware & Old Fashioned General Store

What started as a small hardware store serving the local Amish in Kidron, Ohio, grew into something much bigger than founder Jay Lehman ever dreamed. Gathering four pre-Civil War era buildings under one soaring roof, today our store is a place to embrace the past: from old-fashioned treats and sodas to practical, non-electric goods that help you live a simpler life. Shop and reminisce your way through thousands of products while browsing Jay's antique collection located throughout the store. Make sure you give yourself plenty of time—the full shopping experience is nearly a quarter mile long!
