Arrive Salem, MA to the site of "Haunted Happenings"

Salem's connection to Halloween begins with the tragic events that unfolded during the Salem Witch Trials. The 19 innocent victims who lost their lives in 1692 were not witches, they were only so accused due to Puritan beliefs of the time. The Salem Witch Trials were later revived with Arthur Miller's 1953 work, *The Crucible*, and again in 1992 during the tercentenary of the events and the unveiling of the Salem Witch Trials Memorial. By 1982, the City has planned the first Salem Haunted Happenings Festival during Halloween weekend. The festival was an effort to provide family-friendly events for guests who were interested in visiting the "Witch City." Following the first festival's success with about 50,000 guests in attendance, the annual event has continued to grow each season, drawing everyone from families, couples, history buffs, and Halloween enthusiasts from all over the world.
