Jenkinson's Aquarium

Opening in June of 1991, Jenkinson's Aquarium has proven to be a valuable educational and recreational resource, as evidenced by its growing popularity. The aquarium is dedicated to educating the public on all aspects of marine life and conservation. Each exhibit is designed to promote awareness of the animals, their habitat and conservation.

Exhibits such as Atlantic sharks, Pacific sharks, coral reefs, penguins, and seals give you the opportunity to get up close to animals from around the globe. Another attraction, the touch tank allows visitors to touch live animals ranging from sea star to sting ray!

Point Pleasant Beach & Boardwalk

Relax in the sun or rest under one of our shady palm trees while listening to the sound of the waves of the Atlantic Ocean hitting the shore.

Jenkinson's beach is open daily, weather permitting, from Memorial Day Weekend through Labor Day. Lifeguards are on duty from 9:30 am until 5:30 pm when the beach is open. (Swimming is prohibited when lifeguards are not on duty.)

Jenkinson's Boardwalk is an approximate mile long destination on the Jersey Shore with a wide variety of activities perfect for the whole family. Attractions include an Aquarium, Amusement Park, arcades and games of chance. There are three mini-golf courses, batting cages, and sweet shops to satisfy your sweet tooth. Enjoy Oceanside dining or grab a quick bite to eat at one of the many concessions.
