**Mutter Museum** is America's finest museum of medical history. The Mutter Museum displays its beautifully preserved collections of anatomical specimens, models, and medical instruments in a 19<sup>th</sup> century "cabinet museum" setting. The museum helps the public understand the mysteries and beauty of the human body and to appreciate the history of diagnosis and treatment of disease. The Mutter Museum has a unique collection of specimens and objects that reflect the human history of anatomy and medicine. Their collection ranges from seventh century BCE to 2014, although the majority of our collection dates from mid-19<sup>th</sup> century to the early 20<sup>th</sup> century.

**Reading Terminal Market** is one of America's largest and oldest public markets, housed since 1893 in a National Historic Landmark building. The Market offers an incredible selection of locally grown & exotic produce, locally sourced meats and poultry, plus the finest seafood, cheeses, baked goods, and confections. You'll find everything you need to create a memorable meal, from cookbooks, to table linens, to kitchenware, to fresh cut flowers, and more. Plus the widest variety of restaurants under one roof. Find it all here at Philadelphia's historic public market!

**Eastern State Penitentiary** was once the most famous and expensive prison in the world, but stands today in ruin, a haunting world of crumbling cellblocks and empty guard towers. Known for its grand architect and strict discipline, this was the world's first true "penitentiary", a prison designed to inspire penitence, or true regret, in the hearts of convicts. Its vaulted, sky-lit cells once held many of America's most notorious criminals, including bank robber "Slick Willie" and Al Capone.
