**Lehman's Hardware & Old Fashioned General Store**

What started as a small hardware store serving the local Amish in Kidron, Ohio, grew into something much bigger than founder Jay Lehman ever dreamed. Gathering four pre-Civil War era buildings under one soaring roof, today our store is a place to embrace the past: from old-fashioned treats and sodas to practical, non-electric goods that help you live a simpler life. Shop and reminisce your way through thousands of products while browsing Jay's antique collection located throughout the store. Make sure you give yourself plenty of time—the full shopping experience is nearly a quarter mile long!
