**Eastern State Penitentiary**

Eastern State Penitentiary was once the most famous and expensive prison in the world, but stands today in ruin, a haunting world of crumbling cellblocks and empty guard towers. Known for its grand architect and strict discipline, this was the world's first true "penitentiary" a prison designed to inspire penitence or true regret in the hearts of convicts. Its vaulted, sky-lit cells once held many of America's most notorious criminals, including bank robber "Slick Willie" and Al Capone.
