Medieval Times

Medieval Times Dinner & Tournament is North America's longest running and most popular dinner attraction. Guests experience an evening of quality, family entertainment inspired by 11th century history. Inside the fully enclosed, climate-controlled castle, you will feast on a four-course medieval banquet while watching colorful equestrian drills. Then, you will cheer for brave knights on horseback competing in daring medieval tournament games, jousting matches and sword fights.

The Feast

Medieval Times' noble guests feast on garlic bread, tomato bisque soup, roasted chicken, sweet buttered corn, herb-basted potatoes, dessert of the Castle, coffee and two rounds of select non-alcoholic beverages. A full-service bar is also available for adult guests. Vegetarian meals are available upon request.
