Since motor vehicles are not permitted to intrude on the natural beauty of Mackinac Island, there is no better way to visit this historic isle and see the legendary points of interest than by carriage.

Old Fort Mackinac

The cannon blasts, the rifles fire, the soldiers march and history comes alive. The oldest building in Michigan and 13 other historical structures boast exhibits explaining everything from military training and battles to medical treatments to family life within the fort.

More than just a military outpost, Fort Mackinac served as a home for soldiers and their families and eventually the headquarters for Mackinac National Park, where tourists to the island visited the great fortress on the bluff, much like they do today.
