New York Power Authority / Niagara Power Vista

See the geology of Niagara; the argument between two electricity titans; the chance to design your own dam; to operate a power grid during a storm; and to walk through a turbine. A high-tech virtual ride that takes you plummeting from the sky and into the Niagara River; shooting through the penstocks and swirling around a spinning turbine; then zipping at high speeds along high-tension power lines across the landscapes of New York State. The experience at the Niagara Power Vista Center is on the don't-miss list for the Niagara area.
