

## COMMITMENT TO CLEAN

Trans-Bridge Tours, Inc. charters Trans-Bridge Lines, Inc. buses for tours. Trans-Bridge Lines, Inc. has maintained a comprehensive cleaning routine during the Covid-19 pandemic. They would like to share their cleaning practices, and offer some reminders on keeping both, our passengers and their drivers comfortable and secure while traveling.

### ANTIMICROBIAL SOLUTION APPLIED ...

- ✓ Motorcoaches are hydrostatically sprayed with Bio-Protect 500, an antimicrobial solution that kills 99% of viruses for 90-days, including the virus that causes Covid-19. Once applied, the solution forms a durable coating that is effective on even high touch surfaces.

### SANITIZING PERFORMED AT OUR FACILITY ...

- ✓ Entrance door handles.
- ✓ Steering wheel.
- ✓ Driver headrest.
- ✓ Lavatory door handles - inside and out.
- ✓ Lavatory floors disinfected.
- ✓ Floor of the motorcoach including stairs.
- ✓ All handrails/guardrails in the entrance area.
- ✓ Driver controls in the cockpit area.
- ✓ Microphone.
- ✓ Toilet seat, lavatory shelf.
- ✓ Lavatory hand sanitizer container.

### ONBOARD AIR QUALITY IS OPTIMIZED ...

- ✓ Trans-Bridge Lines utilizes the MERV 8 air filter, which provides protection by capturing respiratory droplets and fine particles in the air.
- ✓ Cabin air is completely exchanged with fresh, outside air approximately every ten (10) minute, with a separate air system in the driver's cockpit area.

### FACE COVERINGS ...

- ✓ The Transportation Security Administration (TSA), no longer requires the wearing of face coverings.

TRANS-BRIDGE TOURS FOLLOWS ALL TSA DIRECTIVES AND WILL NO LONGER REQUIRE MASKS ON MOTORCOACHES. Drivers and tour passengers have the option of wearing face coverings if they so choose.

The CDC continues to recommend that people wear masks in indoor public transportation settings.

### ADDITIONAL PROTOCOLS & REMINDERS ...

- ✓ Do not occupy seats 1 and 2, on the passenger's side, unless instructed by Trans-Bridge Lines management or the motorcoach driver.
- ✓ Use respectful distancing when waiting to board, entering, and exiting the motorcoach.
- ✓ Do not leave trash (gloves, wipes, face coverings, etc.) in the seats. Trash cans are located at the front of the motorcoach.
- ✓ Wash hands often.
- ✓ If you think you are sick or have a temperature, do not travel.
