**Longwood Gardens**

Longwood Gardens is one of the world's greatest gardens. Longwood's story is one of legacy, innovation, and stewardship. The Gardens of a living expression of all that our founder, Pierre S du Pont, found inspiring, meaningful, and beautiful. From the intricate fountain systems to the meticulous gardens to the architectural grandeur, awe-inspiring discoveries await at every turn. Years before it was a public garden, the land on which Longwood Gardens stands was home to the native Lenni Lenape tribe and Quaker farmers. Since then, the land has undergone significant transformation to become a magnificent property that is enjoyed by more than a million guests each year.

**Festival of Fountains**

Stroll through our gardens awash in brilliantly blooming annuals and perennials, or find a quiet, shaded spot among our towering trees to our serene woodland paths. Looking to make a splash? Head to our spectacular Main Fountain Garden, where fountains spin and soar during our daily fountain performances, giving "refreshing" a whole new meaning.
