Adventure Aquarium

Adventure Aquarium is just minutes from downtown Philadelphia on the Camden Waterfront and features one-of-a-kind exhibits with more than 15,000 aquatic species throughout two million gallons of water. The Aquarium is home to the largest collection of sharks on the East Coast, including the only great hammerhead shark on exhibit in the United States. It is the only aquarium in the world to exhibit hippos and one of only six facilities in the US to have Little Blue penguins as permanent residents. The Aquarium exhibits the longest Shark Bridge in the world, a unique V-shaped rope suspension bridge just inches over Shark Realm. Adventure Aquarium is an accredited member of the Association of Zoos and Aquariums (AZA), and is held to the absolute highest standards in animal care and exhibition.

The excitement continues in Adventure Aquarium's **3D Theater**, presented by Valley Forge Tourism and Convention Board. The 3D theater is a one-of-a-kind movie 3D projection experience, providing an immersive, thrilling experience that is fun for the whole family!
