Your guide will take you to the famous Cornell Suspension bridge—a pedestrian bridge that is suspended 138 feet above the water—followed by two other falls surrounding College Town and Cascadilla Park. The tour culminates with an up-close-and-personal visit to Ithaca Falls, downtown Ithaca’s own 135 foot waterfall. In addition to exploring beautiful waterfalls and The Cornell University campus, your guide will weave stories of Ithaca’s history and classic tales of Cornell throughout the tour. The end result will be an intimate experience of our unique and “gorges” town. In addition stop at the Cayuga Lake front and Stewart Park, where you will learn more about the lake itself, how the park used to be home to a silent movie production company that brought all the big movie stars of the time – Irene Castle, Lionel Barrymore, Mary Pickford – to Ithaca.
