Chesapeake City is a picturesque small town located on the C&D Canal, which connects the Chesapeake and Delaware Bays. The town is located along Route 213 and is split north to south by the C&D Canal. This historic canal opened in 1829 and has provided important access to the Chesapeake Bay since. Ocean-going ships and tugs pulling barges can be seen passing through the center of town.

Chesapeake City is world renown for its famous Thoroughbred Horse Farms! We'll go for an informative ride through the area, without leaving the coach!

80 Minute Cruise aboard the Assateague Adventure II

Assateague's wild horses are well known, even to many people who have never been to the island. The "wild" horses on Assateague are actually feral animals, meaning that they are descendants of domestic animals that have reverted to a wild state. Horses tough enough to survive the scorching heat, abundant mosquitoes, stormy weather and poor quality food found on this remote, windswept barrier island have formed a unique wild horse society. Enjoy their beauty from a distance, and you can help make sure these extraordinary wild horses will continue to thrive on Assateague Island.

Enjoy this 80 minute cruise aboard the Assateague Adventure II and see the wild ponies in their natural habitat, bird watch, learn about the eco system, and the fishing boats and navigate Ocean City's commercial fishing boat harbor.

Lunch & time on own at Ocean City, MD boardwalk
