“Experience! The Finger Lakes of the Fabulous Falls Above Cayuga Tour”

Your guide will take you to the famous Cornell Suspension bridge—a pedestrian bridge that is suspended 138 feet above the water—followed by two other falls surrounding College Town and Cascadilla Park. The tour culminates with an up-close-and-personal visit to Ithaca Falls, downtown Ithaca’s own 135 foot waterfall. In addition to exploring beautiful waterfalls and The Cornell University campus, your guide will weave stories of Ithaca’s history and classic tales of Cornell throughout the tour. The end result will be an intimate experience of our unique and “gorges” town. In addition stop at the Cayuga Lake front and Stewart Park, where you will learn more about the lake itself, how the park used to be home to a silent movie production company that brought all the big movie stars of the time – Irene Castle, Lionel Barrymore, Mary Pickford – to Ithaca.

The Seneca Falls It's a Wonderful Life Museum

The It's A Wonderful Life Museum is in the heart of Seneca Falls, New York, a few blocks east of the iconic It's A Wonderful Life bridge. In the movie "It's a Wonderful Life," the story is set in Bedford Falls. Even though Bedford Falls is a fictional town, Seneca Falls appears to have striking similarities to the movie scenes, and it is believed that the movie was loosely based on a true story from a local member of the community. Inside the museum, there are hundreds of personal artifacts, photos, and memorabilia from the It's a Wonderful Life movie.

Lunch and wine tasting at Ventosa Vineyards

Ventosa is located on 23 acres of estate vineyards overlooking Seneca Lake consisting only of vinifera varieties. Ventosa Vineyards is known for producing quality dry red wines such as their award-winning Cabernet Franc, Cabernet Sauvignon, Pinot Noir and the popular Italian varietal Sangiovese. Ventosa is also the first and one of the few New York State wineries that grow and produce Tocai Friulano, a white Italian varietal. When visiting the winery, you will learn about the specific grapes grown on the estate.
