**Brooklyn Christmas Lights Tour**

The most extravagant Christmas light displays in the country are located in the Dyker Heights section of Brooklyn, aka "Dyker Lights." Over 100,000 people flock to this area every year to see the most over-the-top decorations. Now in its 18th year, this is the original and most authentic tour of the area. Don't settle for cheap imitations. We don't just drop you off in the area. The guides know the homeowners personally and escort you around like you're family.

**What You'll See**

- You'll get to experience the homes from both on and off the bus and be escorted by your guide for the best stories and photos!
- Visit Lucy Spata's house. Lucy is the woman who started the tradition of "Dyker Lights" back in the 1980s.
- Enjoy millions of lights! You'll even see them synchronized to music at one very special house on the tour!
- See the home used as the Commissioner's house in the hit CBS TV series "Blue Bloods"!
- See the house described as "Christmas meets Las Vegas"!
- You'll love the multimedia presentation on the screens of the bus from vintage Christmas TV specials like Andy Williams, Frank Sinatra, Bing Crosby and more!
- Experience good old-fashioned holiday cheer with family and friends.
- You'll get the true Brooklyn experience since our guides grew up in Brooklyn and know the homeowners personally.
