The main exhibits are enhanced with an exciting menu of special events, public programs, and workshops that offer a rich and diverse exploration of the 17th-century.

Mayflower II (*included*)

All Aboard *Mayflower III*! Along with national treasures such as the Statue of Liberty and the Lincoln Memorial, *Mayflower* is an iconic symbol of freedom. Of the hundreds of ships that made the transatlantic crossing in the 1600s, she is the ship we remember. Three hundred years later, on June 13, 1957, a full-scale reproduction arrived in Plymouth Harbor, *Mayflower II*. Today, *Mayflower II* is a floating classroom and working vessel. Following her restoration and return to Plymouth in 2020, she was added to the National Register of Historic Places, illuminating that she is a historic ship in her own right.

Plimoth Grist Mill (*included*)

At this reproduction of the Plymouth Colonists' original 1636 grain mill on Town Brook, take a fascinating look at the mill's history and workings, from the 200-year-old millstones grinding corn to the ecology of the brook that has powered mills throughout the centuries. Plimoth Grist Mill is a working mill and is proud to be part of a growing movement to localize grain production and rebuild regional grain economies.
