Pennsylvania Renaissance Faire

Her Majesty invites you to experience the fantasy of the Pennsylvania Renaissance Faire. Thirty-five acres of jousting knights and royal delights await as hundreds of colorfully-costumed characters breathe mirth and merriement into a 16th century English village.

Get ready to live the excitement and adventure and make your visit an unforgettable experience. Musical, stunt and theatrical performances, magic acts and comical mud beggars are just a few of the many daily shows! Immerse yourself in the days of Merrie Olde England, steeped in the allure of bygone days and knights!

Each weekend throughout the Faire season will showcase an exciting and unique theme that offers a different experience every time.

2024 Scenario

Choose. Your. Guild. It's 1589, and England is victorious! The Spanish Armada has been defeated, and the treasure fleet captured. Now, laden with new riches, Queen Elizabeth is making her way to the Shire of Mount Hope for a victory celebration! Intent on investing the spoils of war in her people, Her Most Gracious Majesty will offer Mount Hope's guilds the opportunity to lobby her for a share through a Tournament of Guilds!

Will you support the industrious and shrewd Merchants Guild? The cunning and sly Thieves Guild? Or the dutiful and loyal Civics Guild? Perhaps you fancy yourself a connoisseur of artisan food, beverage, or wares and support the Crafts Guild. On the other hand, you could be a mercurial and merry-making fan of the Revels Guild.

Whichever guild you choose, fly their banners high and wear their colors proudly. In the process, you can earn them points and help them reap the rewards of the Queen's generosity! Hopefully the competitive spirit remains friendly...

Merchants

So much shopping, so little time! Having over 100 unique merchants to visit during an already packed Faire day makes it difficult to see and do everything in one day. The independent merchants each operate their own business upon the Shire and look forward to bantering and bartering with Faire visitors. Demonstrations by many merchants show guests rarely seen art forms before their very eyes.

Workshops and Demonstrations

Step back in time at the Shire, which is filled to the brim with immersive experiences!

Royal Kitchens

Her Majesty's Kitchens cook up an endless array of savory 16th century foods and delicious traditional favorites sure to satisfy the heartiest of appetites.

No outside food, beverages or coolers are permitted to be brought onto the faire grounds, with the exception of Guests with special dietary needs that have completed and presented the Visitor Allergen Card to the Customer Service Window at the front gate.

Pour Houses

Wash down the delicious Royal Kitchen cuisine with refreshing hand-made Swashbuckler Brewing Co. Ales, Mount Hope Wines, Lancaster County Ciders and Spirits Distilling Co. Signature Cocktails! Enjoy them throughout the festival grounds, then stop by the Mount Hope Wine Shop or Swashbuckler Brewery when you leave to take your new favorites home with you!
