Emlen Physick Estate & Carroll Gallery Exhibit

This 1879 Victorian house museum sparkles for the holidays with authentic Victorian decorations that invite you to step back into Christmas past! Visit the Physick Estate for a unique living history experience with members of the Physick Family household of the 1890s. Also see the wonderful Christmas exhibit at the Carroll Gallery.

Christmas Traditions Presentation

While you are finishing your meal, enjoy a Victorian Christmas Lecture. Much of what we associate with the celebration of Christmas comes from the Victorian Era, including Christmas trees, Christmas cards, our image of Santa Claus, and many other features. You will learn how Prince Albert brought these traditions to England from Germany when he married Queen Victoria, and how they then spread to America.

Washington Street Mall

The picturesque Washington Street Mall, located in Cape May, New Jersey, includes over 75 establishments in the heart of America's original seaside resort. A variety of unique boutiques, shops, fine dining restaurants, bars, quick eats, activities, and services are located along a three block stretch of Washington Street, which is closed to vehicular traffic, as well as adjoining portions of Ocean Street, Decatur Street, Jackson Street, Perry Street, Carpenters Lane, and Lyle Lane. The Mall serves as Cape May's town square, and features numerous benches, luscious gardens, shady trees, historical markers, gas lamps, bistro-style string lights, Instagram-worthy photo opportunities, and more.

Holiday Lights Trolley Tour

Enjoy a front row view of Cape May's holiday decorations as the heated trolley winds its way through town. Guides tell stories of Christmas past.
